

ST. GREGORY LIBRARY NEWSLETTER

May/June 2025

HAVE A GREAT SUMMER!

We have thoroughly enjoyed sharing stories and book recommendations with our students at St. Gregory this school year!

We hope that you and your family have a wonderful summer! It is so important to carve out time during the summer to read. Take time to enjoy a novel together as a family by reading aloud a chapter or so each day. Be sure to check out your public library branch! They have events all summer and reading challenges for students to participate in and earn prizes.

INTERESTED IN VOLUNTEERING?

We are looking for dedicated individuals to help with the following areas:

- shelf books
- prepare materials
- to assist with the book fairs
- assist with inventory
