

December

SGS Book of the Month Club for K-4

Dear Families,

We are excited to announce our Book of the Month Club, a reading initiative for students in grades K-4. Here is how you and your child can get involved:

How it works

Monthly Books: Each month, we will highlight a new children's book. Your child can read it on their own, with friends, or together with you.

Reading Options: You can check out a limited number of copies from the school library or access the book in various ways:

- visit the public library
- purchase a copy from Amazon or a local bookstore
- download an electronic copy to a tablet or device
- download an audio version to listen to

Brag Tags

Earn rewards: For each book read (September through May), students will earn a commemorative brag tag

Participation: Students can read all 9 books or just the ones that interest them. Books will span different genres and formats, including fiction, nonfiction, chapter books, picture books, and graphic novels.

Monthly gatherings

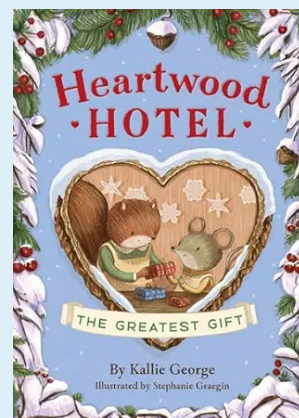

Events: Each month, we will host a special gathering for students who have read the book. The event will include activities, discussions, a treat, and distribution of brag tags.

Meetings will be from 7:30-7:55 in the library

RSVP: To attend the meeting, parents or guardians must complete the **Google Form**. Scan the QR code to the right or visit our school's website and find the form under the quick links tab. Students NOT listed on the form will not be allowed to attend and sent on to class.

MEETING DETAILS

TUE JAN 6
7:30-7:55
ILC

December's book of the month selection is "**Heartwood Hotel: The Greatest Gift**" by Kallie George
